All The Roads Lead To Heaven

Same Difference

I hear the clock tick
Ticking away
What have you done with your life today
Have you done what you feel
Did you do something real
Or did you just let it slip away
Did you ever stop to think
It could be over in a blink
So don't throw your time away
If you're holding onto sorrow
If your holding onto pain
[CHORUS]
Let it go
Set it free
Fulfil your fantasy
All the roads lead to heaven
If we dare to follow
The voice of the heart
To be or not to be
All the roads lead to heaven if we dare
To follow the heart
I wanna free fall fall free
Freedom today
Make all your dreams come true
Stumble and fall
Make the time make the call
No one's gonna do it for you
No time to wait no
Step up to the plate go
You can make yourself shine through
If you're holding onto sorrow
If you're holding onto pain[CHORUS]
Let it go
Set it free
Fulfil your fantasy
All the roads lead to heaven
If we dare to follow
The voice of the heart
To be or not to be

All the roads lead to heaven if we dare
To follow the heartTo follow the heart [x3]If you're holding onto sorrow
If you're holding onto pain[CHORUS]
Let it go
Set it free
Fulfil your fantasy
All the roads lead to heaven
If we dare to follow
The voice of the heart
To be or not to be
All the roads lead to heaven if we dare
To follow the heartTo follow the heart
To follow the heart
To follow the heart
To follow the heart
