

It's Not My Time

KIDZ BOP Kids

Not my time
Not my time Looking back at the beginning of this
And how life was
Just you and me and love and all of our friends
Living life like an ocean But now the current's only pulling me down
Its getting harder to breath, I can't breath
It wont be too long and I will be going under
Can you save me from this?'Cause its not my time, I'm not going
There's a fear in me, its not showing
This could be the end of me
And everything I know, ooh but I wont go, I wont go I look ahead to all the plans that we made
And the dreams that we had, dreams we had
I'm in a world that tries to take them away
Oh, but I'm taking them back'Cause all this time I've just been too blind to understand
What should matter to me, baby you matter to me
My friends this life we live, its not what we have
This life is what we believe in Its not my time, I'm not going
There's a fear in me, its not showing
This could be the end of me
And everything I know But its not my time, I'm not going
There's a will in me and now I know that
This could be the end of me
And everything I know, ooh but I wont go There might be more than you believe
There might be more than you believe
There might be more than you can see But its not my time, I'm not going
There's a fear in me, its not showing
This could be the end of me
And everything I know But its not my time, I'm not going
There's a will in me and now its gonna show
This could be the end of me
And everything I know, oh but I wont go
Oh no, I wont go down, yeah
