Baby Doll

The Bobbyteens

Girl you don't know what you are to me
You are my baby doll
You are my compass star
You drive me up the wall
Girl you don't know what you mean to me
You are my everything
You are my alien
From S-p-a-c-e
Please don't go
Wait
I just met you
Please don't go
Wait
I just met you
Please don't go
Wait
I just met you
Girl I feel just like a bird
Though I am just a nerd
I could fly around this world
With power from this word
We'll bring the desert rain clouds
Fuck reality and doubt
Well they'll be vultures I see
They'll chase me
Girl I'm flying with thee
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
Please don't go
Wait
I just met you
You're my pop rocks
You're my cotton candy
When the beach is hot and sandy

You're my water
You're my morning shower
Subconscious melody
You're my LSD

Someone's perfect daughter
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
Roses are red
Yellow and white
Where have you been all my life
Violets are blue
And I'll be too
If you leave
'Cause I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go
I gotta go
I just met you
I'm Sorry
But I got to
Got to go

I gotta go
I just met you
