The Same

Jason Manns

Things havent changed
You havent changed
And I havent changed
Things that you say
You want to change
You havent changed
Youre still the same
The words that you never approve of
The way that you call out my name
The lies that you tell to protect me
The same
Playing in your little games
You try to make me go crazy
Im stronger then i was before
You tried but you failed me
And this time im ready for war
Things havent changed
You havent changed
And I havent changed
Things that you say
You want to change
You havent changed

Youre still the same
The time that we wasted on our fighting
The same
The things that we argue about
Excuses you give about everything
The reasons i give why i shout
And how things could have been better
If i never met you before
You try but your failing me
And this time im ready for war
Things havent changed
You havent changed
And I havent changed
Things that you say
You want to change
They stay the same

Things havent changed
We just stay the same
You havent changed
I havent changed
We havent changed
Were just the same
