Jesus, I Want You

ChantÃ© Moore

I've been waiting all my life for that someone
who would truly satisfy
I thought that if he came he would make everything alright
I was looing for a friend
Looking for a man
I was longing for flesh and more suddenly i knew

Jesus i want you to touch me with you spirit
Jesus i need you to hide me under your wings

More then any one on earth
More then anyone on earth
more anything on earth
Jesus i want you

I thought that the man who promise me forever
Would hold me more the just one night
And i believe nothing could be sweeter
Then being his delight
Maybe your looking for a friend looking for a man
are you longing for flesh and more
But I pray one day you'll say

Jesus i want you to touch me with you spirit
Jesus i need you to hide me under your wings

More then anyone on earth
More then anyone on earth
more anything on earth
Jesus i want you
Jesus i want you

To touch me with you spirit
Jesus i need you to hide me under your wings

So mush More then any one on earth
So much More then anyone on earth
So much more anything on earth
Jesus i want you
Jesus i want you
