Don't Use Me Up

Emily Wells

Don't use me up
I wanted everything so don't use me up
Don't let me down
I'm really counting on you so don't let me down
Everything is easier when you wash it down
All your friends are your best friends
When you wash it down
So go meet the devil. Go meet Jesus
When you wash it down, when you wash it down
Don't tie me up
I got no strings attached so don't tie me up
Don't let me go
I wanna hold you back so don't let me go
Everything is brighter when you wash it down
Everyone knows your name when you wash it down
So go meet the devil. Go meet Jesus
When you wash it down
We went down to water to be baptized
Don't let me down to the water to be baptized
