Square One

Mosca

I'm just down the block
What is it you want?
Guess it's just my luck
Now I'm having fun

You want me to come
You want me to come
I'm back to square one

Night's unraveling
You're not having it
Everything's been done

Each thing that I have
Said or do has been
Taken by someone

I think I've lost the plot
Not drunk enough to talk
Need you to fix me up
I'm lost
Oh, oh, oh, oh

Racing down the block
I know what you want
Guess it's just my luck
Now I'm having fun
I'm back to square one

Night's unraveling
You're not having it
Everything's been done

Each thing that I have
Said or do has been
Taken by someone

I think I've lost the plot
Not drunk enough to talk
Need you to fix me up

Oh, oh, oh, oh
oh, oh, oh, oh
oh, oh, oh, oh

Night's unraveling
You're not having it
Everything's been done

Each thing that I have
Said or do has been
Taken by someone

I think I've lost the plot
Not drunk enough to talk
Need you to fix me up
Oh, oh, oh, oh

Racing down the block
I know what you want
Guess it's just my luck
Now I'm having fun

You want me to come
You want me to come

Night's unraveling
You're not having it
Everything's been done

Each thing that I have
Said or do has been
Taken by someone

Racing down the block
I know what you want
I'm back to square one
