

Let Me

The Drums

A clock ticks on the wall
A knife spins in the dark
He's closing his eyes for the last time
He's going to be her They might hate you, but I love you
And they can go kill themselves
They might hate you, but I love you
And they can go kill themselves Let me let me see who you are
Let me let me see who you are A clock ticks on the wall
She loves another girl
She open her eyes for the first time
She's going to love her They might hate you, but I love you
And they can go kill themselves
They might hate you, but I love you
And they can go kill themselves Let me let me see who you are
Let me let me see who you are A clock ticks on the wall
A knife spins in the dark
A clock ticks on the wall
A knife spins in the dark
A clock ticks on the wall
A knife spins in the dark Let me let me see who you are
Let me let me see who you are
See who you are
See who you are
