Hey Baby

Marty Stuart

Hey baby
Don't you cry
I'm gonna wipe those little
Teardrops dryHey baby
Don't be sad
I know he hurt you
But it ain't so badYou won't ever have to
Be alone again
I will always love you
Till the very endHey baby
Don't be blue
I will always
Take good care of youYou won't ever have to
Be alone again
I will always love you
Till the very endHey baby
Don't you cry
I'm gonna wipe those little
Teardrops dryHey baby
Hey baby
Hey baby
