Domino

Van Morrison

Don't want to discuss it
I think it's time for a change
You may get disgusted
And start thinkin' that I'm actin' strange
In case I'll go underground
Get some heavy rest
Never have to worry
About what is worst and what is best, hit it
Oh, oh, Domino
Roll me over, Romeo, there you go
Lord have mercy, I said
Oh, oh, Domino
Roll me over, Romeo, there you go
Say it again
I said oh, oh, Domino
I said oh, oh, Domino, hit it
There's no need for argument
There's no argument at all
And if you never hear from him
That just means he didn't call

Or vice-a-versa
That depends on where ever you're at or
And if you never hear from me
That just means I would rather not, hit it
Oh, oh, Domino
Roll me over, Romeo, there you go
Lord have mercy, I said
Oh, oh, Domino
Roll me over, Romeo, there you go
Yeah alright, say it again
Oh, oh, Domino
I said oh, oh, Domino
Hey mister DJ
I just wanna hear some rhythm and blues right now
On the radio, on the radio, on the radio
On, on the radio, on, on the radio
On, on the radio, on, on the radio, here's the band
One more time
