Forever Free

Golden Dawn

I ride all alone and can't see
The road to nowhere anymore
And shadows, whispers are calling me
To forbidden forests by the shore
And there she fell, deep in the night
One breath away from heaven's light
And she said, "Don't cry for me, I'm leaving you"
The wind cries her name in the breeze
But I can't hold her anymore
(No, no more)
Some fallen angel had come to me
And fell to heavy on my soul
And stole from me the love that I
Heard Lords of time say never die
And she said, "Don't cry for me, because I'll be"
Riding the wind forever free
High in the wind forever free
I'll ride the wind forever free
High in the wind forever free, forever free
Forever in my heart's a fire, a fire burning
I wake up nights and hear her crying, crying my name
Riding the wind forever free
High in the wind forever free
I ride the wind forever free
High in the wind forever free
