I Love To

Sharyn Maceren

I love to watch you when you lay down next to me
Though, I see you every day
You still the sight I need
To feel alive
To feel alright
To feel so high
To feel like good things are in my life
I cannot lie you stun my eyes
You stun my eyes

I love to hold you
Cause you feel good in my arms
If I could I'd hold you from today until tommorow
Because It's nice
Because It's nice
It feels so right
It feels like your body was made for mine
I can't deny my arms won tire
My arms wont tire

Chorus:
You don't know what you do to my senses ohh..
But you've touched each and everyone
And you broken trough all my defenses with your beauty baby
I feel like this like never before

I love to smells your skin
Because it smells so good
I's put it in a bottle and I'd wear it if I could
You smell divine
You smell divine
Like Calvin Klein eternity
Cause it sweet and light
Inhale and I
Am bound to sigh
Am bound to sigh

Chorus
