Finally Home

Bryan White

FINALLY HOME
BY BRYAN WHITEEverytime I said a prayer,
It's like it got lost up there...
Floating on a cloud somewhere.
Gone gone gone gone...Never hearin' nothin' back,
Faith can get lost like that
Out there aloneBut You...
You were right there waiting with your arms wide open...
You held me close and I feel like I belong...
Now my heart is finally home...
Now my heart is finally home...
Now I'm dreamin' wide awake...
I feel safe enough to make mistakes
Chasin' these fears away
Til they're
Gone gone gone goneI thank God that I found you...
Knowing everything I'm going through
I'm not aloneBut You...
You were right there waiting with your arms wide open...
You held me close and I feel like I belong...
Now my heart is finally home...
Now my heart is finally home...Every word you're sayin' is sweeter than an amen...
Everything's gonna be ok,
'Cause at the end of every day
you're right there waiting with your arms wide openYou hold me close and I feel like I belong
Now my heart is finally home...
Now my heart is finally home...
