

# Freewheel Burning

## Judas Priest

[Incomprehensible]Fast and furious  
We ride the universe  
To carve a road for us  
That slices every curve in sightWe accelerate, no time to hesitate  
This load will detonate, whoever would contend its right  
Born to lead at breakneck speed  
With high octane we're spitting flamesFreewheel burning  
Freewheel burningOn we catapult  
We're thrusting to the hilt  
Unearthing every fault  
Go headlong into any dareWe don't accept defeat  
We never will retreat  
We blaze with scorching heat  
Obliterations everywhereBorn to lead at breakneck speed  
With high octane we're spitting flamesFreewheel burning  
Freewheel burningLook before you leap  
Has never been the way we keep  
Our road is free  
Charging to the top  
And never give in never stops  
The Way to be  
Hold on to the lead  
With all your will and then concede  
You'll find there's life  
With victory on highLook before you leap  
Has never been the way we keep  
Our road is free  
Charging to the top  
And never give in never stops  
The Way to be  
Hold on to the lead  
With all your will and then concede  
You'll find there's life  
With victory  
With victory on highFreewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burning  
Freewheel burning, freewheel burningSomething is burning
