## The Frantics

[Intro:]You know, the art of making love is a serious thing.
And when you find someone that do it right to you
And you do it right to them
And ya'll get that connection
It ain't nothing like that in the world
It's just like you and me baby
[Verse 1:]Listen
I don't never wanna lose this feeling
Can't ya see my body needs some healing
I'll be a good girl
I'll make you my world
I just want your fingerprints on me
Ain't nobody else who can own me
Taaaaake it I'm yours
I don't want another
[Chorus:]Hope dat you don't give another girl none of this
Ain't no other feeling in the world like this
When we making making making making love baby (when we making love)
Making making making love baby
The way that you hold me, the way that you kiss me (the way that you hold me)
The way you talk to me drives me crazy
When we making making making making love baby (when we making love baby)
Making making making love baby
[Verse 2:]Listen
I ain't never known this kind of love
That makes me feel higher than a dove
I love you
Must be alien
Cause I'm on another planet
Everything seems so clear
Boy whenever you are near
Seconds til lifetimes
When you're by my side
[Chorus:]Hope dat you don't give another girl none of this
Ain't no other feeling in the world like this
When we making making making making love baby (when we making love baby, eh)
Making making making love baby

The way that you hold me, the way that you kiss me (the way that you hold me)

The way you talk to me, drives me crazy
When we making making making making love baby (when we making love)
Making making making love baby
[Bridge:]Cause all I wanna do is be near you won't let you go
I'd swim an ocean just get to you
Baby that's the truth
And I will never be threaten by another chick
You won't be forgetting this
When I'm done with you
And baby that's the truth

Baby I need you
(I need you baby)
I'm telling you the truth
(I need you baby)
