Forget Your Name

De Palmas

In the morning without a sound
This kind of love can never be found
Makes me coffee she lets me sleep
But disappointment is waiting for meI wanna forget your name
(you're not a lover)
you're not a lover
But I'm the one to blameI wanna forget your name
(you're not a lover)
You make me lose it all
You make me lose it all
Here I am
Hear me say
Rise and Shine
It's a beautiful day
Used to run after you
No ... no... no
Now I don't because I got to know youI wanna forget your name
(you're not a lover)
You're not a lover
But I'm the one to blameI wanna forget your name
(you're not a lover)
You make me lose it all
You make me lose it all
I wanna forget your name
(you're not a lover)
You're not alover
But I'm the one to blameI wanna forget your name
(you're not a lover)
You make me lose it all
you make me lose it all
