What a Difference a Day Makes

Renee Olstead

What a difference a day makes
Twenty-four little hours
Brought the sun and the flowers
Where there used to be rainMy yesterday was blue, dear
Today I'm a part of you, dear
My lonely nights are through, dear
Since you said, "You are mine"Oh, what a difference a day makes
There's a rainbow before me
Skies above
Can't be stormyOh, since that moment of bliss
That thrilling kiss
It's heaven when you
Find romance on a menuWhat a difference a day made
And the difference is youWhat a difference a day made?
The difference is youMy yesterday was blue, dear
Today I'm a part of you, dear
My lonely nights are through, dear
Since you said, "You are mine"What a difference a day makes
There's a rainbow before me
Skies above
Can't be stormyOh, since that moment of bliss
That thrilling kiss
It's heaven when you
Find romance on your menuWhat a difference a day made
And the difference is you
