My Whole Life

Young Buck

I don't wanna wait forever
But you know I would
You'd better hope, I don't say, "Now or never"
'Cause you know I couldMy whole life I'm searchin' for
Someone like you
To take me gently by the hand
And show me what to doMy whole life
It's not over
It's my whole lifeIf you're gonna say you love me
Then I love you too
I don't wanna hear you tell me, "Shut up again"
Yeah, I heard youMy whole life is flashing
Right before my eyes
No more fabricated hellos
And no more sad goodbyesMy whole life
It's not over
It's my whole life
