

# Fallin Out

## Keyshia Cole

Been sitting, thinking bout you  
And I am wondering why were not getting along  
So frustrated cause what we had was a happy home  
I don't know what the situation is  
But I could tell in the way we kiss  
We don't talk no more it feels better when I'm alone Sometimes I feel like there's no getting through to you  
Like you don't appreciate all that I do  
You gotta show me that you want me to stay  
Don't turn and walk away? Baby I'm slowly falling out of love with you  
I don't know what to do  
How did we end up here this way what are we gonna do  
I'm slowly falling out baby I'm tripping on silly things  
Boy, I need you to meet me half way if you want me to be with you I remember when I be with my friends you  
checked on me and made time to call  
But now things have changed  
Now I don't hear from you at all (yeah, yeah) Sometimes I feel like there's no getting through to you  
Like you don't appreciate all that I do  
You gotta show me that you want me to stay  
Don't turn and walk away? Baby I'm slowly falling out of love with you  
I don't know what to do  
How did we end up here this way what are we gonna do  
I'm slowly falling out baby I'm tripping on silly things  
Boy, I need you to meet me half way if you want me to be with you Don't let your pride get in the way  
On something we worked so hard, don't throw it away  
I've been trying to make you see everything you need is right here with me Sometimes I feel like there's no  
getting through to you  
Like you don't appreciate all that I do  
You gotta show me that you want me to stay  
Don't turn and walk away? Baby I'm slowly falling out of love with you  
I don't know what to do  
How did we end up here this way what are we gonna do  
I'm slowly falling out baby I'm tripping on silly things  
Boy, I need you to meet me half way if you want me to be with you I'm tired of giving my all  
How did we end here this way I just want to know what are we gonna do  
How did we end up here this way?
