

Stardust

MIKA

I could be staring at somebody new
But stuck in my head is a picture of you
You are the thunder. I was the rain
I wanna know if Ill see you again
I said I love you. You said goodbye
Everything changes in the blink of an eye
Its been a while. I still carry the flame
I wanna know will I see you again?
See you again?
See you again?
Want you to know what you mean to me
What would it take, take you to see? I could put a little stardust in your eyes
Put a little sunshine in your life
Give me a little hope, you'll feel the same
And I wanna know will I see you again?
Will I see you again? I feel like a fool 'cause youre not even there
Im writing this song and you dont even care
Throw me a lifeline and open the door
And pick up my heart that you left on the floor
On the floor, on the floor
I want you to know what you mean to me
What would it take, take you to see? I could put a little stardust in your eyes
Put a little sunshine in your life
Give me a little heart to feel the same
And I wanna know will I see you again?
Will I see you again?
Funny how the time goes rushing by
And all the little things we leave behind
But even then in everything I do
Is a little bit of me, a little bit of you When will I see you again?
When will I see you again?
When will I see you again?
When will I see you again? I could put a little stardust in your eyes
Put a little sunshine in your life
Give me a little hug, you'll feel the same
And I wanna know will I see you again?
Will I see you again? I could put a little stardust in your eyes
Put a little sunshine in your life
Give me a little hug, you'll feel the same

And I wanna know will I see you again?
Will I see you again?
Funny how the time goes rushing by
And all the little things we leave behind
But even then in everything I do,
Is a little bit of me and a little bit of you When will I see you again?
When will I see you again?
When will I see you again?
