

Last Night I Had a Dream (Single Version)

[Randy Newman](#)

Last night I had a dream
You were in it I was in it with you
Everyone that I knew
And everyone that you know was in my dream
I saw a vampire
I saw a ghost
Everybody scared me but you scared me the most
In the dream I had last night
In the dream I had last night
In my dream It started out in a barnyard at sundown
And everyone was laughing and you were lying on the ground
You said "Honey can you tell me what your name is?"
"Honey, can you tell me what your name is?"
I said, "You know what my name is."
