Will it the not the one they call

Mo fire ya Weezy,
Mo fire ya, put your light up in the air (mo)
Mo fire ya, I give her,
Mo fire ya, mo' fire a go' burn thenI Diddy bop, my fifty cock, my city hot I'm dodgin' the city cop
I play em' like pitty pat (shh)

I hustle and bend my back
My muscle is intact
My biceps and triceps is ay yes[Chorus]I come at you (sh)
It's somethin' new, the color is smurf blue,
I'm puffin that purple,
believe it if I talk it I walk it like, Herschel
I get it like it is on the commercial
This is verse two, it is worse too,
I'll murk you, like I birth you
You niggas small bubbles, I'll burp you,
And spit you out and have your girlfriend slurp you
My jewelry earth blue, some say its earth green,
I'm like whatever my shit mean and obscene
Now I been seen on a lot a different scene,
That mean I got a lot a different creme[Chorus]I raise mo fire to the man up higher,
I lick a shot to let him know that I'm a rider (yeah)
My dreads hang to let him know that I'm a lion,
Represent the jungle when the others just tryin',
I represent my mother like baby stop cryin',
I know my papa gone but guarantee to see her shinin' (yeah),
Now you are lookin' at New Orleans finest,
Now you are being blinded, by European diamonds,
And you were seein' two or three times and,
Got your vision all fucked up, now you

Can't even find me, and I ain't even hidin' naw,
I'm right here baby, (right here baby) she wanna walk witcha,
I'm like yea baby, (yeah baby)
batty man get the shotty to his head
Rock-a-by his ass to sleep, rock it lay him down to bed
I put you in my pocket, right next to the condoms homie,
You ain't nothin' but a prop fishMo' fire ya Weezy,
Mo' fire ya, put your light up in the air
Mo' fire ya, I give her,
Mo' fire ya ya
Mo' fire ya
Mo' fire ya Weezy
Mo' fire ya
Mo' fire ya, I give her
