No Ordinary Girl

Sahlene

Don't go jumping to conclusions
Draw me into your confusion
Don't you know that you're intruding?
So back off for a whileIt's never been up for debating
We got something worth the waiting
I can tell your heart is aching
And you wanna make me smileSome girls surrender
But that's not my way
All I can say isGive it time, you got to try
If you wanna get inside my world
It's no lie, just give it time
'Cause I ain't no ordinary girl, yeah
Ordinary girlIt's not you that I'm rejecting
It's my heart that I'm protecting
Being careful about selecting
Who gets into my thoughtsBaby, these are my conditions
I'll admit by free admission
If you make the right decision
You're the one I wantWill you surrender?
Don't go away
Oh, I hope you stayGive it time, you got to try
If you wanna get inside my world
It's no lie, just give it time
'Cause I ain't no ordinary girl, yeahOrdinary girl
Oh, it's no lie, just give it time
'Cause I ain't no ordinary girlIt's not that I'm special
Or think that I'm so fine
But these are my boundaries
If you wanna cross my lineNo, no
If you wanna get inside
Inside my worldIt's no lie, just give it time
'Cause I ain't no ordinary girl, yeah
Ordinary girl
If you wanna get insideIt's no lie, just give it time
'Cause I ain't no ordinary girl, yeah
Ordinary girl
