Tonight I Know

Chester See

I was scared and unaware of what your touch might do
I tried to fight it, couldn't hide it, I was falling for you
But I lose control and I don't know if I can do this
Because everytime I'm near you
Well, I just feel so helpless
I try to leave but something brings me closer to youI fall in love a little more each day
'Cause I don't have the strength to stay away so
Tonight I know, Tonight I know
Tonight I know,
I've never been so sure about a single thing before
Tonight I know
Tonight I knowI'll be honest, I can't promise that this love won't change
'Cause I can't ignore it, I love you more with every single day
And you should know, That I wont go, I'm here forever
As long as time allows us, We'll always be together
You're the one and only love I've ever knownI fall in love a little more each day
And I don't have the strength to stay away so
Tonight I know, Tonight I know
Tonight I know,
I've never been so sure about a single thing before
Tonight I know
Tonight I knowTonight I know, Tonight I know
Tonight I know,
I've never been so sure about a single thing before
Tonight I know, Tonight I know
Tonight I know,
I've never been so sure about a single thing before
Tonight I know
Tonight I know
