

# My Dark Desires

## Dark Funeral

Father

I call your name upon the furious winds  
I'm possessed by the spiritual strength of hell  
In the chambers of my dark heart a black flame burns

Satan

I summon the horned one from the darkened realms  
Grant me the darkened unholy power  
To please my evil wicked lust  
The coveted hour has finally arrived  
The hour when darkness over skies descends  
Under the pale light of the frozen moon I prepare the virgin for sacrifice  
I whisper forbidden names upon the skies  
Nocturnal visions reveal before me  
Nightfall embraces my hateful cries  
As I fulfill my dark desires My dark desires Satan  
Take my soul to hell  
I must burn in the inholy flames  
Satan  
Take my soul to hell  
I must burn to purify my weak soul Bring damnation upon my soul  
My dark desires
