# Feelin' You (feat. Rick Braun)

## Phil Perry

Hey, Put your things in a bag
It's time for us to leave
You don't know where, It's okay
You ready, Come on ooooohA place I know
Come on, Let's go
I need, to be
In your space now, kiss your face nowJust you and me
make life all it's meant to be
Alone me and you
For the sweetest tabooI'm Feelin' you
Close to me
Kissing you feels like ecstasy
Love's so precious
A Love so true and a
Love becomes, from me feeling you(instrumental)
Ooh La yahI tell you
I nevered longed for love so true
It came into my life
Sharing my life with someone like youOoh aay ooh aay ooh aay ooh aay
Ooh aay ooh aay ooh aay ooh aay
Heey aaahYou know that I'm feelin' you
Next to me
Kissing you feels like ecstasy
Love's so precious a love so true
and love becomes from me feelin' youNext to me, close to me
Kissing you feels like ecstasy
A love so true.....(fade)
