INTIL

Menomena

I never thought I'd lie
but you don't wanna know
so now there's a divide
though we used to be close
in order to be nice
I'll only show you half
the rest I gotta hide
cause you don't understandsometimes I say too muchtimes when I'm with you
I'm really not myself
cause you don't want the truth
you want someone elseI admit sometimes I say too much
(try to have verbs by getting it (?))I never thought I'd lie
