Meet My Mom (Instrumental)

New Boyz

[Verse 1 - Legacy]
Haha I always wanted to do this
1, 2, 3, 4
I might just let you meet my mom!
Last week my mom said I had too many girl friends com in, in her house
She told me if I show her one more of my girlfriends, She's kickin her out, her out, her out
But this girl, I got good feelings about, about, about
Not only is she a hottie, but she's a somebody
That's why this girl got me, got me like, I might just let you meet my mom.[Chorus]
I promised that I wouldn't bring in no more video models or singer, you got me like
OOOOOOO
OOOOOOO
I might just let you meet my mom,
Your no model, no liar, no cheater, that's why I'm taking you to go meet her,
You got me like,
OOOOOOO
OOOOOOO
I might just let you meet my mom.[Verse 2 - Ben J]
I got a girl her name is perfect,
I lost the others but I think she's worth
Ahh I did do many foul things in the past
Now I'm settling down
Man I'm so happy I finally found someone my style, style, style
Now that I think about it,
You exactly like me
Tell them haters bite me
I'ma make you wifey
You my girl
I probably might even let you go inside
You got me like
You got me like[Chorus]
I might just let you meet my mom.
I promised that I wouldn't bring in no more video models or singer,
You got me like,
OOOOOOO
OOOOOOO
I might just let you meet my mom,
Your no model, no liar, no cheater, that's why I'm taking you to go meet her,
You got me like,

OOOOOOO
OOOOOOO
I might just let you meet my mom.My mom actually likes you
I don't think you know how big that is
It seems like every girl that came around
She just kickin em, kickin em out and it's like you the last one left.Ayee girl,
You bad
Whats upp?
I might just let you meet my mom.
Bet you wanna meet my mom.
I might just let you meet my mom.[Chorus]
I might just let you meet my mom.
I promised that I wouldn't bring in no more video models or singer,
You got me like,
OOOOOOO
OOOOOOO
I might just let you meet my mom.
Your no model, no liar, no cheater, that's why I'm taking you to go meet her.
You got me like,
OOOOOOO
OOOOOOO
I might just let you meet my mom.
