Usinibore

Just a Band

Don't tell me what I can and can't do,
I can chan-ge the world,
UsiniboreJust because am an African with black skin, it doesn't make that a one thing, if I try,
It doesn't matter where you've been, what you have seen, what you know,
I know, am gonna win, I got the heart of a champ-ion, of a champ-ion,
So don't tell me what I can and can't do,
I can chan-ge the world,
UsiniboreCan't pray forever, can't be black forever,
Can't pray forever, can't be black forever,
Can't pray forever, can't be black forever,
Can't pray forever, forever, forever!If I Don't do nothing then nothing will be done,
If I don't say something, then nothing will be said,
One voice will be heard and one thing will be done,
I refuse to be a statistic, ni kiasi,
And I know my father,
It shouldn't matter
We can do much together
We can do on our own
It's time to roll up some sleeves and pull this things
Make them believe in this beats
Don't tell me what I can and can't do,
I can chan-ge the world,
