Always In Me

Jeremiah's Grotto

I still feel your kiss on my face,
and it reminds me of you,
and you're beautiful inside,
your words are always in my heart,
hold my hand, walk with me and guide me,
and this time we'll talk, a lot,
cause your whisper in my ear means everything to me,
I can't believe... this love will last forever,
and I will always love you,
I will always care, walking hand in hand
