Thinkin' Abt U

Snckpck

I'm really bored and I'm in my room
I wish that there was something to do
My room's a mess
But I don't care
I'm thinking about your sweater and long brown hair
Playing Zelda at 2 in the afternoon
Catching up on sleep well sitting in my room
I'm playing Zelda at 2 in the afternoon
Catching up on sleep well sitting in my room
In my room
I'm thinking about you
I'm thinking about you
I'm really bored and I'm in my room
I wish that there was something to do
My room's a mess
But I don't care
I'm thinking about your sweater and long brown hair
I'm really bored and I'm in my room
I wish that there was something to do
My room's a mess
But I don't care
I'm thinking about your sweater and long brown hair
All the time
I was thinking about you
All the time
I was thinking about you
All the time
I was thinking about you
All the time
I was thinking about you
I was thinking about you
I was thinking about you
I was thinking about you
Thinking about you
