Sweet Little Rock & Roller

Jerry Williams

I don' t know where you came from
I don't know where you go
You gave so much trouble
And you gave so much funYou say I must be crazy
But sometimes I gotta scream
I get up, I get down
We need to spend some time
Yes we doSweet little rock 'n' roller
Keep on comin' my way
Sweet little rock 'n' roller
That's alright, babyI met you right by the station
Well, where you callin' for me?
I give you one night
I give you one heart
We need to spend some timeSweet little rock 'n' roller
Keep on comin' my way
Sweet little rock 'n' roller
That's alright babyOoh, won't tell you right nowMan, you're just a sweet little rock 'n' roller
Keep on comin' my way
Sweet little rock 'n' roller
Just one more time, goYou're as sweet little rock 'n' roller
Keep on comin' my way
Sweet little rock 'n' roller
15, 16, 17I don't care
