

# Lie Lie Lie

## Metric

(Lie, lie, lie, lie, lie  
Lie, lie, lie, lie, lie) If it happened it was meant to be  
Offer me a free lobotomy  
Got to be sedated to be seen  
On the cover of your magazine (Hey, hey, hey, hey  
Hey, hey, hey, hey, hey) If it happened it was meant to be  
Got me a lobotomy for free  
Now, I'm so sedated and serene  
On the cover of your magazine (Hey, hey, hey, hey  
Hey, hey, hey, hey, hey) Oh, and I suppose I brought it all upon myself  
Starting with the question no one wants to ask themselves  
Naked in the movie, make me the director's pet  
Everybody told me "take whatever you can get"  
Everybody told me "take whatever you can get" Lie, lie, l-lie, lie, lie, l-lie, lie  
Lie, lie, l-lie, lie, l-l-lie, lie  
Lie, lie, l-lie, lie, lie, l-lie, lie  
Lie, lie, l-lie, lie, l-l-lie, lie Holding off your freedom of speech  
Rage against the dying of the light  
Why you never say what you mean?  
Rage against the dying of the light Baby, you'll be safe with me  
Rage against the dying of the light  
Holding up a tattered dream  
Rage against the dying, rage against the dying of the light Oh, and I suppose I brought it all upon myself  
Knowing all the questions no one wants to ask themselves  
Naked in the movie, make her the director's pet  
Your mother and your father wanna see you on the TV set  
Everybody told her "take whatever you can get" Lie, lie, l-lie, lie, lie, l-lie, lie  
Lie, lie, l-lie, lie, l-l-lie, lie  
Lie, lie, l-lie, lie, lie, l-lie, lie  
Lie, lie, l-lie, lie, l-l-lie, lie  
Lie, lie, l-lie, lie, lie, l-lie, lie  
Lie, lie, l-lie, lie, l-l-lie, lie  
Lie, lie, l-lie, lie, lie, l-lie, lie (Lie, lie, lie, lie, lie  
Lie, lie, lie, lie, lie) (Lie, lie, lie, lie, lie)
