Home (feat. Jesse Carmichael)

Ry Cuming

my oh my
I've gone so far
now I know I'm home
salty air is on my skin but ooh
I'm lost again
and you look so good and I can't forget
words slipped my mind
I'm lost again
my oh my I've gone so far
I've seen this world
and all my lips I've tasted love
but ooh
I'm lost again
and you look so good i cant forget
words slipped my mind
I'm lost againand you look so good
I cant forget
what slipped my mind
I'm lost againand you look so good
I want forget
what slipped my mind
I'm lost again
