Show It

Nicholas Tremulis Orchestra

[Intro:]
[Craig:] Yow, Demarco
[Demarco:] Yea, this grown folks music, that's right
I wanna see everybody getting ready to party right now in here
Whoooo!
If you sexy and you know it and you really wanna show it
Just show it
Yea, to all my sexy ladies

[Verse 1: Demarco]
Shorty grown (heeeyy!)
She already got her mind made up and she ready to roll
Tip top shape thick thighs with a small waist
She's independent
She can buy her own things
But I'm trying to take her home
Gotta make her my wifey
Ho-o-o

[Hook:]
Baby you, got the baddest look
Baby you, wanna get a nigga hooked
Baby you, you should be riding round town in the Phantom
Shouting what's good
Baby you, can't complain
Baby you, sexy is your name
And I'll be watching you
So sexy (sexy)
So ladies put your hands uuup

[Chorus:]
If you sexy and you know it and you really wanna show it
Just show it
All you gotta do is show it, hea hey
You got me loving you girl like crazy
You got me loving you girl like crazy
You're ma heartbeat, tell you you're ma baby
Rescue me with your love, come save me

[Verse 2: Craig]

She got so much swagger
Looking so damn good, I gotta have her
See, I know what I gotta do
Know what I gotta say
Dem other girls don't matter
Ooh baby take your time
I really gotta make you mine now
She's dah baddest chick I've seen in the club (club)

[Hook:]
Baby you, got the baddest look
Baby you, wanna get a nigga hooked
Baby you, you should be riding round town in the Phantom
Shouting what's good
Baby you, can't complain
Baby you, sexy is your name
Cause I'vel be watching you
So sexy (sexy)
So ladies put your hands uuup

[Chorus:]
If you sexy and you know it and you really wanna show it

Rescue me with your love, come save me

[Verse 3: Demarco]
Yea baby I want you to save me
Lock me up in your love, girl, like slavery
Yea I got ma swag on confidence bravery
She the lieutenant, I'm the captain of the navy
So let's get it sealed, for real for you it's no drama
The way she look good I'd marry her and her mama
With you in my life it's like the US to Obama
Got hope, 'Yes We Can' written on a banner

[Hook:]
Baby you, I could tell you're a star
Baby you, I could see you shining from afar
Baby you, the way how you rock your clothes
You got class and I could tell you who you are
Baby you, I could bet you're the best

Baby you, I could tell you more, nothing less
Yeah,
And if you know you look good, all my sexy ladies
Come on help me sing the rest

[Chorus:]
If you sexy and you know it and you really wanna show it
Just show it
All you gotta do is show it, hea hey
You got me loving you girl like crazy
You got me loving you girl like crazy
You're ma heartbeat, tell you you're ma baby
Rescue me with your love, come save me
