

Selvmordstanker

Intig

Iâ€™m so ashamed of myself
Itâ€™s all my fault
Iâ€™m so disgusting
I shouldnâ€™t be allowed to live

and then I cut myself on the arm as deep as I can
And then I hate myself even more because itâ€™s so stereotypical to cut yourself
Every stupid teenage girl cuts herself
Itâ€™s like Iâ€™m just imitating others
I just do what everybody else does
And then I just want to die

Iâ€™m gonna kill my self
