Turmoil

Controller

And these tides will never change
(Stay the same)
Choices made in distain
(Feel no pain)
Desperation in your eyes
Wounded pride-Chorus-Take a stand
Forget your pride
Take back the courage once denied
And why just hide.....hideWill you never take the chance?
(A faithful sign)
Seeing pain in someone's glance
(Of questions why)
Seeking truth in your lies
(Forgetting how to fly)
The deafening is your disguise
Wounded pride-Chorus-Wake up....with a fist....stand tall, and end this..(4x)Just wake up (Just wake up), and take a stand.....
Stand tall (Stand tall).....forget your pride....Just wake up
Just wake up
