

# Defying Gravity (from Wicked)

## Debbie Gravitte

Glinda: (spoken) Elphie why couldnt you have just stayed calm for once instead of flying off the handle? I hope  
you're happy!

(sung) I hope you're happy now  
I hope you're happy how you hurt your cause forever  
I hope you think you're clever

Elphaba: (spoken) I hope you're happy  
(sung) I hope you're happy too  
I hope you're proud how you would grovel in submission  
To feed your own ambition

(both) Somehow I can't imagine how  
I hope you're happy right now

Glinda: (spoken) elphie listen to me, just say your sorry  
(sung) You can still be with the Wizard  
What you've worked and waited for  
You can have all you ever wanted

elphie: (spoken) I know, (sung) but I don't want it, (spoken) no,  
(sung) I can't want it, anymore

Something has changed within me  
Something is not the same  
I'm through with playing by the rules  
of someone else's game  
Too late for second guessing  
Too late to go back to sleep  
It's time to trust my instincts  
Close my eyes, and leap

It's time to try defying gravity  
I think I'll try defying gravity  
And you can't pull me down

Glinda: Can't I make you understand  
You're having delusions of grandure

Elphie: I'm through accepting limits  
Cause someone says they're so

Some things I cannot change  
But til I try I'll never know  
Too long I've been afraid of  
Losing love I guess i've lost  
Well if that's love it comes at much too high a cost

I'd sooner buy defying gravity  
Kiss me goodbye I'm defying gravity  
And you can't pull me down

Elphie: (spoken) Glinda come with me, think of all we can do, together  
(sung) Unlimited

Together we're unlimited  
Together we'll be the greatest team there's ever been  
Glinda, dreams the way we planned them  
Glinda: If we work in tandem  
BOTH: There's no fight we cannot win

BOTH: Just you and I defying gravity  
With you and I defying gravity  
They'll never bring us down

Elphie: (spoken) well are you coming?  
Glinda: (sung) I hope you're happy  
Now that you're choosing this  
Elphie: (spoken) you too (sung) I hope it brings you bliss  
BOTH: I really hope you get it  
And you don't live to regret it

I hope you're happy in the end  
I hope you're happy my friend

Elphie: So if you care to find me  
Look to the western sky  
As someone told me lately  
Everyone deserves a chance to fly  
And if I'm flying solo  
At least I'm flying free  
To those who try ground me  
Take a message back from me

Tell them how I'm defying gravity  
I'm flying high defying gravity  
And soon I'll match them in renown  
(spoken) And nobody in all of Oz  
No Wizard that there is or was

Is ever gonna bring me down  
Glinda: (sung) i hope your happy!  
People of oz: Look at her, shes wicked! get her!  
Elphie: bring me down  
ahhhhh
