Piece Of Me

Skid Row

Piece Of Me

Sleazin' in the city,
You know I'm lookin' for a fight.
I got my heels and lookin' pretty,
On a Saturday night, night, night.
Good God, bless my soul,
I need a fix of rock 'n roll.
Come on baby you gotta wait and see.
You better hurry, To get a piece of me.
Caught a lonely lady,
She's crying on a cigarette.
I got nasty, nasty habits,
And that's all she's gonna get from me.
One for the money, two for the show,
Round and 'round and 'round we go.
Take a look at what you might need,
You better hurry, To get a piece of me.
I don't have looks, I don't have money,
But I know one thing's for sure,
One night ain't enough of my love,
She wanted more, more, more.
Sleazin' in the city,
You know I'm lookin' for a fight.
Well I got my heels and lookin' pretty,
On a Saturday night, night, night.
One for the money, two for the show,
'Round and 'round and 'round we go.
Take a look at what you might need.
You better hurry, To get a piece of me,
Take a piece of me! To get a piece, a piece of me,
Take a piece of me.
