Pansy

PAW

Hey touch me, I am just an old man
Guess I'm on my way
Hey cut me, I am such a sick man
I guess it's best this way
Hey, Jackknife, you got all the answers
Give some back to me
And watch me dieI'm slidin' back and forth
I'm a coward
I'm losin' my control
I'm a pansy
Hey touch me, loosing, tired, beaten
Look at me and cry
Hey cut me, I just want to lay down
Long enough to die and die and die
Hey, Jackknife, this is all your fault now
Laugh and watch me die, just watch me dieI'm slicin' back and forth
I'm a coward
I'm losin' my control
I'm a pansy
Cut, me, Jackknife
Hold, me, Jackknife
Save, me, Jackknife
Lover, just hold me close
Lover, caress me
Lover, just hold me tight
Lover, just hold me close
Don't let me go
Just pull me tight
'Cause I'm already dead
'Cause, lover, I'm already dead
Now, Jackknife
Save me, Jackknife
