This Is My Ringtone

Parry Gripp

This is my ringtone
It's on my iPhone
No, you don't have one
You're on VerizonI waited in line
That's how I got mine
You sit your butt at home
You got no iPhone
Yeah!Everybody look at me, I got 3G
Everybody look at me, I got 3G
Everybody look at me, I got 3G
Everybody look at me, I got 3G
Everybody look at me
Everybody look at me
Everybody, everybody, everybody look at me
Everybody look at me
Everybody look at me
Everybody, everybody, everybody look at me
