

Bleed

Rachel Carson

I'm giving you space to breathe
Leaving you air to speak
I'm giving you room to move
Thoughts of me to include
I'm giving you time to think

I'm giving you letters to burn
Empty promises to return
With freedom to take
I'll learn from this mistake
Before it's too late

So don't go looking to watch me bleed
You know it's not what I need
Don't go looking for my heart
It's already torn apart
So don't go reaching with your hands
When you don't understand
Don't go looking for my heart
It's already torn apart

I'm giving you space to breathe
Afraid of what this could mean
I'll open up my mind
Leave the thoughts behind
Before it's too late

So don't go looking to watch me bleed
You know it's not what I need
Don't go looking for my heart
It's already torn apart
So don't go reaching with your hands
When you don't understand
Don't go looking for my heart
It's already torn apart

Don't go
Don't go looking to watch me bleed
Looking to watch me bleed

Looking to watch me bleed

So don't go

Looking to watch me bleed

Looking to watch me bleed

Looking to watch me bleed
