# So Long I'll See Ya

## Tom Waits

Mama's in the kitchen, daddy's on the phone
And nobody knows what's going on
But I've got them so long I'll see you
'Cause my Buick's outside waiting bluesWell one for the money honey, two for the show
And it's three to get ready, Tom's gotta go
He's got them so long I'll see you
'Cause my Buick's outside waiting bluesWell bye, bye, bye, well bye, bye, bye
Sing bye, bye Scooby Do bye, bye
Gotta skeet skat outta here
Skeet skat outta hereAnd your mama's in the kitchen, and your daddy's on the phone
And nobody knows what's going on
But I've got them so long I'll see you
'Cause my Buick's outside waiting bluesWell, Tommy's gotta skeet skat, he's gotta skeet skat outta here
Skeet skat right outta here
And one for the money, two for the show
And three to get ready, I gotta go'Cause I've got them so long I'll see you
'Cause my Buick's outside waiting blues
Outside waiting blues, it's outside waiting blues
Said the Buick's outside waiting bluesAnd skeet skat outta here, gonna skeet skat outta here
Skeet skat outta here, gonna skeet skat
Got so long I'll see you
Buick's outside waiting bluesAnd skeet skat outta here
Gonna skeet skat outta here
Gonna skeet skat 'cause I've got so long to see
Buick's outside waiting blues
