Why Are You Not Rocking?

Monster Truck

I don't care about the weather
The band's here to play
I don't care 'bout work tomorrow
I'm not going anywayAll I see is right now, people together
Hey
All I see is right now, party foreverYeah
Release your mind
Set your spirit free
Rock and roll might save your life
It might save your life tonight
Rock and roll might save your life
It might save your life tonight
Hey!
(Aw yeah!)
(Alright)Alright listen here!Who cares what people say
We are never gonna die
Let the sound cure your pain
Throw your hands up to the skyEverybody right now, riding the feeling
Everybody right now, losing controlYeah
Release your mind
Set your spirit free
Rock and roll might save your life
It might save your life tonight
Rock and roll might save your life
It might save your life tonight
Rock and roll might save your life!
It might save your life tonight!
Rock and roll might save your life!
It might save your life tonight!
