

Downtown Sundown

Thin Lizzy

If you want your freedom
There is nothing planned
If you really need him
I will understand Please believe in love
I believe there is a God above for love
And He's coming, yes, He's coming If you want to fly
Then fly away
All the cloudy skies
Belong to yesterday Please believe in love
I believe there is a God above for love
And He's coming, yes, He's coming In the shadows the swallow dies
No one knows the hobo hides
There is no need to apologize
This is the story of a downtown sundown If you climb the mountain
Then you will see
There is no great distance
Between the Lord and me Please believe in love
I believe there is a God above for love
And He's coming, yes, He's coming And in the shadows the swallow dies
No one knows the hobo hides
There is no need to apologize
This is the story of a downtown sundown
