English

-
what are you doing today? You busy?
Will you meet up with me if you donâ€™t have much to do
I have something to say, well.. itâ€™s nothing really.. but..
I think I like you

itâ€™s my first time too
youâ€™re my lady youâ€™re my baby
Iâ€™m not kidding
from today on,
will you be mine baby

People say Iâ€™m the best looking
Of the worst.
what do I need to do to figure your feelings out?
Iâ€™m going crazy just thinking about you woo hoo
Iâ€™m not the most handsome one
I think Iâ€™m okay when Iâ€™m smiling
I will do even better than any other guys my love
I love you

close your eyes and one two three, count
tell me what you see now

canâ€™t tell? Canâ€™t you see your man?
From today on, day 1

Itâ€™s my first time too
youâ€™re my lady youâ€™re my baby
Iâ€™m not kidding
from today one
will you be mine baby

People say Iâ€™m the best looking
Of the worst.
what do I need to do to figure your feelings out?
Iâ€™m going crazy just thinking about you woo hoo
Iâ€™m not the most handsome one
I think Iâ€™m okay when Iâ€™m smiling
I will do even better than any other guyâ€¦ my love
I love you

come to me thoughtlessly
come closer, donâ€™t hesitate
I know Iâ€™m not fully ready yet
but in this world,
I love you more than anyone baby

from all those good looking ones
you canâ€™t find a kind one
you know Iâ€™m the nicest one
Iâ€™m going crazy just thinking about you woo hoo

people say,
you and I look good together
I will do even better than any other guyâ€¦ my love
I love you
