Oh Death

Rube Waddell

When death and all his angels find you,
will you call out?
will you call out?When death and all his angels catch you,
will you cry out?
will you cry out?At the end of the line
There's no more time
And you go it alone
You can never come home
At the end of the lineFrom dust and ashes I have called you,
And dust you shall become, in the endFrom dust and ashes I have called you,
And dust you shall become, in the endOh death,
Oh death,
Where is your sting?At the end of the line,
There's no more time
And you go it alone
You can never go home,
At the end of the line
