

# Lessons in Love

## Level 42

I'm not proud, I was wrong and the truth is hard to take  
I felt sure we had enough but our love went overboard  
Lifeboat lies lost at sea I've been trying to reach your shore  
Waves of doubt keep drowning meAll the dreams that we were building  
We never fulfilled them  
Could be better, should be better  
For lessons in loveFor restless eyes, egos burn and the mold is hard to break  
Now we've waded in too deep and love is overboard  
Heavy hearts token words all the hopes I ever had  
Fade like footprints in the sandAll the homes that we were building  
We never lived in  
Could be better, should be better  
Lessons in loveIf we lose the time before us  
The future will ignore us  
We should use it, we could use it, yeah  
Lessons in love  
Lost without loveLessons in love  
When will you ever learn  
Lessons in love  
When there's nowhere left to turnLessons in love  
Don't let your spirit burn  
Lessons in love  
I'll wait 'till you returnAll the dreams that we were building  
(Yeah, yeah, yeah)  
We never lived them  
We could lose it, we should use it  
(Lessons in love)  
Lessons in loveAll the homes that we were building  
We never lived in  
Could be better  
(Could be better)  
Should be better  
(Yeah, yeah)  
Lessons in loveIf we lose the time before us  
The future will ignore us  
We should use it, we could use it  
(Good God)  
Lessons in love
