Goodbye To A World

Porter Robinson

Thank you, I'll say goodbye soon
Though its the end of the world,
Don't blame yourself now
And if its true,
I will surround you and give life to a world
That's our ownThank you, I'll say goodbye now
Though its the end of the world,
Don't blame yourself
And if its true,
I will surround you and give life to a world
That's our ownThank you, I'll say goodbye soon
Though its the end of the world, don't blame yourself now
And if its true,
I will surround you and give life to a world
That's our ownThank you, I'll say goodbye now
Though its the end of the world, don't blame yourself
And if its true,
I will surround you and give life to a world
That's our own
