

# Strawberry Fields Forever (The Beatles cover)

[Ben Harper](#)

Let me take you down 'cause I'm going to strawberry fields  
Nothing is real and there's nothing to get hung about  
Strawberry fields foreverLiving is easy with eyes closed, misunderstanding all you see  
It's getting hard to be someone but it all works out  
It doesn't matter much to meLet me take you down 'cause I'm going to strawberry fields  
Nothing is real and there's nothing to get hung about  
Strawberry fields foreverNo one I think is in my tree, I mean it must be high or low  
That is you can't you know tune in but it's alright  
That is I think it's not too badLet me take you down 'cause I'm going to strawberry fields  
Nothing is real and there's nothing to get hung about  
Strawberry fields foreverAlways no, sometimes think it's me but you know  
I know when it's a dream, I think I know I mean a yes  
But it's all wrong, that is I think I disagreeLet me take you down 'cause I'm going to strawberry fields  
Oh, nothing, nothing is real and there's nothing to get hung about  
Strawberry fields forever, strawberry fields forever, strawberry fields forever
